

PILOT COACHING SCHEME

COACHING DAY

POPHAM

SATURDAY 26 September

On behalf of the LAA Pilot Coaching Scheme ('PCS'), we would like to welcome you to Popham and thank you for your interest and participation. Your PCS Coordinator will be Will Greenwood.

MORNING COACHING SESSIONS

We will be arranging two free coaching sessions in the morning, the available times being:

1000 – 1100 and 1130-1230

These times are essentially for those members who wish to take advantage of the 'one hour with an instructor' requirements for revalidation of their 2 year PPL SEP rating although all Coaches/Instructors will be available to provide any training advice and fly with you. When did you last practice a forced landing, a stall, spin, slow flight or an EFATO. Have you done a recent short field take off/landing or a bad weather circuit?

If you would like some specific Coaching, then please see the notes section below. Then E-mail them to will.greenwood@btconnect.com

AFTERNOON FUN

These events are open to all, a £2.00 fee will be required to "take part"

- FLOUR BOMBING

We provide the flour (maximum ½ Kg bags in weight, in accordance with the exemption we have obtained from the CAA). We have an exemption and the prize for the most accurate 'bomb'
